On behalf of my clients with respect to the above-mentioned file number, I Adam Brash, am writing to request time on your agenda for the April 7th Planning and Development Services Committee meeting.

I would like to make a presentation briefly outlining our proposal for rezoning and address the concerns that were raised at the previous meetings. The presentation will outline the proposed rezoning, revisions to the application based on feedback. Our specific request is to have the Board or Committee review our proposal and provide feedback so that we can proceed towards a successful application and eventual approval. I will require a dial in number and the ability to share my screen through Zoom or Teams.

If you have any questions or comments please contact me at abrash@grs.ca or 1.403.710.9370.
