Subject: FW: Late Delegation Request

1. The circumstances preventing the delegation from giving earlier notice:

This request is submitted based on the predominance of false information and questions about the application currently in the community that we believe can only be addressed fully by the landowner rather than his agent or consultants.

2. The topic on which the delegation wishes to speak:

We are submitting a request for Reto Barrington to appear as a delegation at RDEK Planning Committee to address the committee regarding his application for land use amendment. Mr. Barrington will be speaking to the process and reasons to support the application.

3. An executive summary or outline of the presentation to be made:

To be provided.

4. The name of the designated speaker(s):

Reto Barrington

5. The specific action which is being requested of the Board:

Mr. Barrington will be requesting the Directors support the application and approve it to proceed to public hearing.

6. If you are attending the meeting in person or via Zoom:

Mr. Barrington will be attending in person.

7. Whether or not you will have a powerpoint presentation:

There will be no Powerpoint presentation.

Please note that we have requested to remove another delegation (Doug Leighton) from the agenda to make room for Mr. Barrington and to avoid lengthening the planning committee meeting any further.

Thanks,
Richard Haworth
