Rhiannon,

I am submitting this request to appear as a delegation at the April 13<sup>th</sup> Planning Committee meeting regarding our application for zoning / OCP amendment for the Galloway Lands. The contents of my remarks will follow the contents of the attached Information Update Memo dated March 15, 2023. I will like avoid repeating any of the information that Richard Haworth will present in his presentation unless I feel that it requires reinforcement.

In addition, I will reserve some of my allotted to speak to any information presented by other delegations that requires clarification or challenge.

I specifically request that my presentation be last on the agenda as discussed with Tina, and Shawn.
