AKBLG Resolution – Taxation of Broadband Infrastructure

49012

MOVED by Alternate Director Doehle

SECONDED by Director Clovechok

THAT the following resolution be submitted to the 2020 Association of Kootenay and Boundary Local Governments Convention:

WHEREAS the cost to deploy broadband infrastructure to support connectivity services is significant and revenue opportunities in rural areas are often not adequate to provide a return on investment that would attract private investment, resulting in underserved rural communities throughout the province;

AND WHEREAS both the Provincial and Federal Governments have made universal access to broadband services a priority including through the provision of infrastructure grants to encourage private investment in rural areas; however, the ongoing property taxation of broadband infrastructure creates a significant additional cost which further inhibits the already strained business case for private investment in broadband connectivity;

NOW THEREFORE BE IT RESOLVED that the UBCM petition the Province of British Columbia to provide local governments with the ability to set tax rates for broadband infrastructure.
