Young at Heart Woodworking Club is part of the activities sponsored by the Senior Citizens' Association of Cranbrook. It operates out of the basement of the Cranbrook Senior's Citizens Hall at 125 - 17th Ave. S. The woodworkers comprise of a varying number of senior citizens who enjoy creating wood projects.

Covid and the increasing numbers of seniors, both men and women, have ignited more interest in the hobby and the use of the shop. Some of the equipment is old, outdated, and possibly unsafe and needs to be replaced. As well, the increased numbers of users has made it necessary to purchase more supplies.

The purpose of this grant is to replace, repair and recondition machinery and to purchase supplies such as replacement parts and disposable supplies.

3. Areas Benefitting.

List the specific areas that will benefit from the grant.

The shop is open to all seniors living in the City of Cranbrook and Area C. Residents from outlying RDEK areas are also welcome, however it is unlikely to be many because of travel.

4. Benefits.

Describe how the project will benefit the areas listed in section 3, including the residents of those areas, and how the project meets local needs.
