Nikki,

Nice to meet you.

- 1) Topic:
  - Crown Mountain Coking Coal Project Update
- 2) Summary:
  - NWP is pleased to provide the RDEK Board with another of our regular updates. Following submission of our environmental assessment for the Crown Mountain Coking Coal Project early in 2024, we've gone through several review steps, applied for and received an extension to the regulatory timeline, and started work towards updating our application. NWP will review some of the changes we are planning for the Project and discuss our involvement in related initiatives.
- 3) Designated Speaker
  - Dave Baines – Director Project Development
- 4) Action requested from the Board:
  - None – for information only
- 5) Meeting Attendance:
  - In person
- 6) Will we have a PowerPoint presentation?
  - Yes

Dave
