BACKGROUND

Bylaws No. 3317 and 3318 received first and second reading at the November 8, 2024 Board of Directors meeting. A public hearing was authorized and held on December 2, 2024. The public hearing report which included a late referral response from the ?Akisq̓nuk First Nation was reviewed and accepted at the December 13, 2024 meeting. In order to accommodate further consultation with the ?Akisq̓nuk First Nation on the referral response the two bylaws were not put forward to be considered for third reading at the December meeting.

Since December, meetings have been held between RDEK staff and the applicant, RDEK staff and ?Akisq̓nuk First Nation staff and the applicant and ?Akisq̓nuk First Nation staff to further discuss the proposed bylaws. The RDEK was advised that the bylaws would be on the agenda of the ?Akisq̓nuk First Nation Council on March 5th. However, no further correspondence or communication has been received from ?Akisq̓nuk First Nation to date. The applicants have advised the RDEK that they will be proceeding with the application without any changes.

Authorization of a second public hearing is required to meet legislative requirements of the *Local Government Act*.
